Eva-tech[™] Limited Warranty

Eva-Last[®] offers a ten (10) year limited warranty for all of its Eva-tech[™] Products. This warranty applies to any Eva-tech[™] Product that has been properly installed under the conditions of the Eva-Last[®] Installation Guide and yet shows signs of defect, such as splintering, flaking or corroding. This warranty further covers any Eva-tech[™] Product which, although properly installed, becomes structurally unfit from rotting, splitting, cupping, termite or fungal decay within ten (10) years from the date of purchase. Colour variations and slight fading may occur, however the warranty ensures the material will never lose its inherent colour properties.

The Eva-tech[™] Limited Warranty does not cover the cost of installation, removal of debris/waste or reinstallation and transportation of materials. The manufacturer's sole obligation is limited to the replacement of Eva-tech[™] Products only and shall have no further obligation or liability except as stated herein. Eva-Last[®] may elect to pay a percentage of the original purchase price under the prorated schedule within the warranty in lieu of replacement of the Eva-tech[™] Product/s.

The Owner assumes all risk and liability associated with the construction and use of Eva-tech[™] Product/s. The Owner acknowledges that Eva-tech[™] Products are not structural lumber and therefore may not be used as such. Eva-Last[®] recommends taking all necessary steps to ensure the safety of everyone involved in the use and construction of Eva-tech[™] Products, including but not limited to, wearing/using the proper safety equipment and working in appropriate weather conditions.

The length of the warranty for each product covered by this Limited Warranty is set forth below:

The responsibility of the Owner

The Purchaser is solely responsible for the use and application of any and all Eva-tech[™] Product/s, including but not limited to; determining suitability and compliance with applicable building and safety codes for a specific application. Eva-Last[®] shall not be bound by any statement or representation as to the performance of Eva-tech[™] Product/s other than what is contained in this warranty. No person or entity is authorised by Eva-Last[®] to make such statements or representations. This warranty shall not be amended or altered except in written form and signed by Eva-Last[®] and the Purchaser. This warranty is exclusive and in lieu of any other warranties expressed or implied as to the merchantability, fitness for a particular purpose or non-infringement with respect to Eva-tech[™] Product/s. In no case shall Eva-Last[®] be liable for any incidental or consequential damages.

Eva-Last[®] is not responsible for:

- the cost of labour for installing replacement products
- the transport costs of replacing any materials
- the cost of any materials (other than the replacement Eva-tech[™] Product/s as provided herein) including, without limitation, sub-structure, supporting structure, etc; or
- the cost of removing or disposing of Eva-tech[™] Product/s or other materials which are to be replaced. Replacement Eva-tech[™] Product/s will be warranted only for the remainder of the original Term. Tender of payment of the cost of replacement Eva-tech[™] Product/s shall terminate all liability of Eva-Last[®] under this Limited Warranty and all applicable implied warranties.

What is the lifetime of Eva-tech[™] Products?

It is natural for decking products to age. The process begins as soon as they are installed and exposed to the natural elements. The duration Eva-tech[™] Product/s will continue to perform for their intended purpose will depend on many factors, including, but not limited to the quality of installation, weather, snow, intensity of the sun, pollution, debris, usage, cleaning and care. Because no two installations experience these and other ageing factors in the same way, it is difficult to accurately predict the period of time Eva-tech[™] Product/s will last. This Limited Warranty, subject to its terms and conditions, provides you with peace of mind and support in the event of a manufacturing defect which causes an Eva-tech[™] Product/s to fail. If Eva-tech[™] Product/s exhibit signs of failure, damage or degradation, such products should be replaced or repaired immediately, as this may become a safety hazard.

Notification of a claim

In submitting a claim, the Owner must fill out a Warranty Claim Form (available at www.eva-last.co.za) and submit his/her claim along with the signed warranty certificate, original purchase invoice noting purchase date, pictures of defective products and a detailed description, within thirty (30) days following discovery of a problem.

If the Owner fails to notify Eva-Last[®] as provided herein, all obligations of Eva-Last[®] under this Limited Warranty and all applicable implied warranties and conditions shall terminate. Notice to your contractor, dealer or home builder does not imply notice has been given to Eva-Last[®]. Follow ups on claims can be directed to warranty@eva-last.co.za.

Right of inspection and claim processing

Eva-Last[®] reserves the right to inspect the materials and investigate any and all claims that have been made. Eva-Last[®] shall have a reasonable time after notification to process a claim. The Owner shall provide Eva-Last[®] with reasonable access to the indicated Eva-tech[™] Product/s for purposes of inspection. If requested by Eva-Last[®], the Purchaser must complete and deliver the said product to Eva-Last[®] at the Purchaser's expense. A warranty questionnaire, photographs of the defective Eva-tech[™] Product/s, proof of purchase of the Eva-tech[™] Product/s, and samples of the Eva-tech[™] Products should also be returned to Eva-Last[®] as part of the claim items needed. If reasonable access is denied or made subject to unreasonable conditions by the Owner, or if the Owner fails or refuses to cooperate in Eva-Last[®]'s investigation of the claim (such as by failing to provide samples of the affected Eva-tech[™] Product/s, proof of Purchase, photographs, estimate, or a completed warranty questionnaire), Eva-Last[®]'s obligation under this Limited Warranty shall be immediately terminated. If Eva-Last[®] determines there are manufacturing defects covered by this Limited Warranty, Eva-Last[®] will have a reasonable time after receipt of notification to process the Owner's claim.

Transferability

This Limited Warranty may not be transferred.

Under no circumstance will the Limited Warranty cover costs beyond the original purchase price of the defective Eva-tech[™] Product/s, as stated in the original purchase invoice.

Eva-tech[™] Product/s located in higher-traffic areas may show wear earlier than other areas. Eva-tech[™] Product/s installed at different times will vary in colour due to natural weathering and outdoor exposure. Dragging objects across the deck may cause surface scratches. Colour variation occurs naturally in the manufacturing process and, as with natural lumber, should be expected. Surface wear, scratches, minor degradation and colour variation are not defects and are excluded from coverage under this Limited Warranty. The serviceable life of the Eva-tech[™] Product/s is affected by several factors, such as quality of installation, maintenance and normal wear and tear. These are all factors beyond Eva-Last[®]'s control and for which Eva-Last[®] makes no warranty. No representative, employee or other agent of Eva-Last[®] or any person other than Eva-Last[®]'s directors, has authority to assume for Eva-Last[®] any additional liability or responsibility in connection with the products except as described herein.

This Limited Warranty applies to Eva-Last[®] Product/s purchased on or after 1 September 2015 and supersedes all previously published warranties for such products. The terms and conditions of the Limited Warranty for Eva-tech[™] Product/s may change periodically. The Limited Warranty set forth above was the Limited Warranty offered by Eva-Last[®] at the date of printing. Only the Limited Warranty offered by Eva-Last[®] at the time of purchase of the Eva-tech[™] Product/s shall apply. Consult Eva-Last[®]'s website at www.eva-last.com for current Limited Warranty information.
